Good Morning:

I just spoke with Dave Larsen regarding access to the Sundberg (restaurant) property. Dave received this message from Kristen Hanson on Friday afternoon. I should be available today if you'd like to discuss.

Dave,

Ms. Sundberg has asked me to share the attached access agreement regarding access to her property. I look forward to coordinating proposed work activities with you. The signed access

agreement includes a provision allowing access to REI as an invitee.

You will need to provide workplans or equivalent scope of work to the Tribal Natural Resource Department for review and coordination. For reference, I have also included EPA's January letter to your clients directing your cooperation with the Tribe.

Sincerely,

Kristen Hanson
